

## 3-Week Cross-Cultural Immersion Experience in China May 2008

ECE 9810 (Directed Reading)  
with Dr. Yali Zhao

Chengdu, China  
May 12 - June 2, 2008

- Explore and learn Chinese culture through teaching and travel. (geography, history, food, language, arts, people, traditions, etc.)
- Teach English to Chinese students at Lab School of Sichuan Normal University.
- Live with a Chinese host family for a richer experience of Chinese life.
- Teach and research collaboratively with Chinese faculty and students.

A select group of 10 GSU students will join Dr. Yali Zhao in Chengdu, China for a 3-week cultural immersion experience. Georgia State University and Sichuan Normal University are collaborating to create an exciting and in-depth experience that will allow American and Chinese students and teachers to learn from each other.
