

## Felicia and Rodney Mayfield Scholarship

Felicia Mayfield has spent her life sharing her time and talents as a teacher, educator, administrator and motivator. She is a proud “Triple Panther,” having earned three degrees from Georgia State University. She credits the education she received at Georgia State as part of her success and feels that Georgia State is a cornerstone in our community.

Dr. Mayfield wants to ensure every student at Georgia State has the same opportunities she was afforded. She is particularly concerned with those students whose education is in jeopardy because they fall just below the grade point average required by the HOPE Scholarship. She has established the **Felicia and Rodney Mayfield Scholarship** for students in the College of Education & Human Development in financial need with a GPA between 2.5 and 2.99.
