Applications for FY 2016 (July 1, 2015 – June 1, 20165) funds will be accepted
Through April 1 through April 24, 2015

Any College of Education chartered or provisionally chartered student organization may request funds. Please refer to the GSU student handbook for guidelines on how these funds may be used. However, it should be noted that the primary limitations include the following:

1) All groups receiving funds must be officially approved as a chartered student group through the Office of Student Activities.
2) Expenditures are for activities of the student groups, and not for salaries, extra compensation, or other expenses of departments
3) Off campus meals are highly discouraged. The Fee Committee considers off-campus lunches and parties to be personal expenses. One exception would be an instance where leaders of a student group took a speaker to lunch, after the speaker made an on-campus presentation, which was publicized and open to all students.
4) The funds allocated for fiscal year 2015 must be used by June 1, 2016.
