

2021 Academy for Future Teachers

STEM Leaders Program

A 3-week virtual program for high school students

hosted by GSU College of Education & Human Development

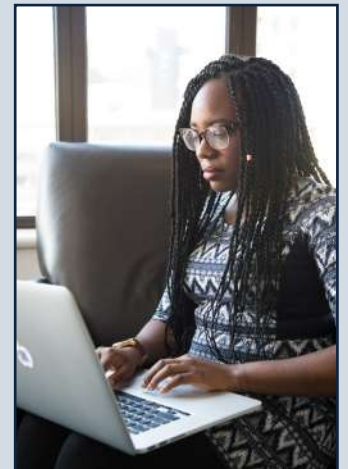

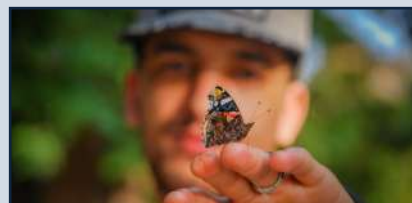

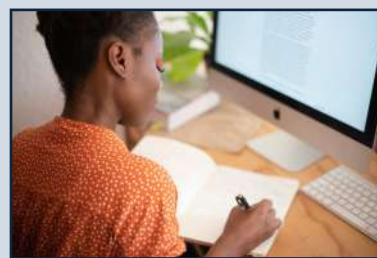

Online June 7-25 9 - 1 Weekdays

- Explore 21st century teaching - a hybrid of both virtual & in-person connections. Have you got what it takes to thrive?
- Have fun & practice new skills as you develop lessons for middle school and elementary students.
- Strengthen core math & science skills.

- Generous completion stipend for full attendance & participation. (\$250 for 1st years; \$300 for returning 2nd years.)
- Connect with professors, teachers & students from throughout Atlanta.
- AFT welcomes 11th & 12th open to teaching or STEM fields plus rising 10th & 2021 grads with strong service & scholastic records.

The best part
of teaching
is that
it matters.
