

Good Afternoon,

On April 23, 2018, during the CEHD Student Organization Allocation meeting, the following CEHD student organizations were awarded funds for FY19. The name of the organizations and the amount each group was funded are listed below. Funds may be used by the organization for supply purchases or to cover travel costs in FY19. The funds are available for use in FY19 only (July 1, 2018 through June 30, 2019). All CEHD student groups should follow the [Student Activity Fee Overview](#) provided by the university as a guideline for the appropriate uses of these funds.

A copy of this award letter, in addition to original signatures of the one member of the club leadership team (president, vice president, treasurer) and the club advisor, should be attached to all invoices and/or reimbursements submitted by a CEHD student organization. It is the responsibility of the club to track how much is being spent and to ensure the organization does not exceed their awarded amount. Invoices, [Payment Request Forms](#), [Travel Authorizations](#), and [Travel Expense Statements](#) should be completed and submitted by the student organization and given to the department business manager for processing. Please charge the all expenses to speedtype SAED.
