

## College of Education & Human Development Student Petition for Waiver or Variance

Any student in the College of Education & Human Development may petition for a waiver or variance of established policy, procedure, rule, or guideline governed by the College of Education & Human Development.

**The Student Petition for Waiver or Variance must be submitted by the end of the term prior to the term in which the exception is needed.**

**NOTE:** Teacher education majors should understand that **program** requirements and **certification** requirements are not necessarily the same. As teacher certification requirements are beyond the control of Georgia State University, exceptions to programs of study may result in denial of Georgia State teacher certification.

- 1) Fill out and print the petition. Be clear and concise. Be thorough, but limit remarks to those having direct bearing on the request. Persons considering petitions rely on the student's ability to present a clear and well-written rationale.
- 2) Complete the personal information at the top of the form.
- 3) State the policy, procedure, rule, or guideline (cite reference) from which you seek a waiver or variance and the **precise** deviation being sought.
- 4) Attach a **typed** statement giving the reason(s) the petition should be granted. Before submitting a petition, the student should check with his or her advisor to determine what options are available and what information may be required for a specific request. Attach written documentation to support the petition.

**NOTE:** If the exception concerns substitution of one course for a required course, a syllabus for **each** course must be attached as documentation for the request. If a substitution is due to scheduling conflicts, justification must be provided as to when the course(s) in question will be offered, why the circumstances preclude enrolling in the course when offered, and when the substituted course will be taken.

- 5) Present the petition to your departmental faculty advisor, who, after making their recommendation, forwards the petition to the department chair, **or** to your advisor in the College of Education & Human Development Office of Academic Assistance (undergraduates) or Graduate Student Services, who acknowledges the petition and forwards it to the department chair.

**NOTE:** If the petition concerns a course outside the student's major department, the petition must be considered by the chair of the department offering the course in question **before** being sent to the chair of the major department. If your major department has its own petitions review committee, that committee considers the petition and forwards a recommendation to the Office of Academic Assistance (OAA) or Graduate Student Services (GSS).
