**EXC 4020 must be completed prior to graduation for PSC requirements.** Proof of completion must be sent to OAA. Students are expected to follow the model program. The CPS department cannot offer every course during each semester. If the course is listed in a specific semester on the model program, it will be taught during that time. The times of day that each course is offered will vary from semester to semester. **Courses not placed together on the model program may be offered during the same semester but they may be at conflicting times.** The model program is intended as your schedule. **Course offerings are contingent upon registration and the department may cancel courses with low enrollment. Courses must be 80% full in order to offer the course.**
