Missouri	Yes	

Montana	Yes	<p>Educational Requirements: There are two pathways: (1) Completion of a CACREP-accredited school counselor program, which includes an internship in a school setting of 600 hours, or (2) Completion of a master's degree in school counseling from a regionally accredited college or university, including an internship in a school setting of 600 hours.</p> <p>Experience Requirements: A supervised internship of at least 600 hours in a school or school-related setting</p> <p>Examination: Yes, specific Montana-required PRAXIS</p> <p>Institution Recommendation Required?: Yes</p> <p>Certification: K-12</p> <p>Reciprocity: Yes</p>
Nebraska	Yes	<p>Educational Requirements: Master's degree in school counseling with at least 36 semester graduate hours.</p> <p>Experience Requirements: (1) Must have two years of teaching experience and (2) At least 100 clock hours of clinical experience prior to internship; and at least 450 clock hours of internship.</p> <p>Examination Required:</p> <p>(1) Praxis I PPST: Reading: 170, Writing: 172, and Mathematics: 171; or</p> <p>(2) Praxis I CBT: Reading: 316, Writing: 318, and Mathematics: 316; or</p> <p>(3) Content Mastery Exam for Education—Basic Skills Test (CMEEBST): Minimum Score of 850.</p> <p>Institution Recommendation Required?: No</p> <p>Certification: K-6, 4-9, 7-12, K-12</p> <p>Reciprocity: No</p>
Nevada	Yes (if Family Systems and Interventions will suffice for course needed on parental involvement and family engagement)	<p>Educational Requirements: Complete three semester credits in a course of study regarding parental involvement and family engagement and (1) must hold a master's or more advanced degree in school counseling or (2) must hold a specialty credential as a National Certified School Counselor issued by the National Board for Certified Counselors or (3) must hold a master's or more advanced degree with a major in counseling conferred by a regionally accredited college or university and meet the additional requirements noted below or (4) must hold a master's or more advanced degree conferred by a regionally accredited college or university and have at least two years of teaching experience or at least two years of school counseling experience and meet the additional requirements noted below. Additional requirements for (4) and (5) above: A. Must have at least two years of teaching experience or at least two years of school counseling experience B. Must have completed 600 hours of a school counseling practicum, internship or field experience in grades K-12. C. Must have completed 36 semester graduate credits in school guidance and counseling to include coursework in each of the following areas of study:</p> <p>Required Coursework: (1) process of individual counseling, (2) process of group counseling, (3) testing and educational assessments, (4) legal and ethical issues in counseling, (5) career counseling, (6) organization and administration of school counseling programs, (7) multicultural counseling, (8) child and family counseling and (9) two of the following areas: a. use of technology in education, b. exceptional children ; c. human growth and development or d. substance abuse and counseling.</p> <p>Experience Requirements: (Option 1 and 2) None; (Option 3 and 4) 280 hours of practicum, internship or field experience in school counseling at any grade level in K-12.</p> <p>Examination: Praxis – professional school counselor</p> <p>Institution Recommendation Required?: No</p> <p>Certification: K-12</p> <p>Reciprocity: The Office of Educator Licensure encourages educators who are currently licensed in other states or U.S. territories to apply for reciprocal licensure in Nevada. Pursuant to the passage of Assembly Bill 77 during the 2017 legislative session, most valid and unexpired licenses will directly reciprocate without verification of passing licensure examinations. However, some conditional, provisional, residency, temporary or other license types will require additional documentation to determine eligibility. Any additional documentation needed to determine eligibility for reciprocity will be requested from a licensing analyst upon review of submitted and paid application. Pursuant to NRS 391.230 and NRS 391.302, you may not be employed by a Nevada school district unless you hold a valid Nevada educator license.</p>
New Hampshire	Yes	<p>Educational Requirements: (Option 1) Have completed a state board of education approved school counseling collegiate program at the master's degree level or higher; or (Option 2) Alternative certification is possible if the following three requirements are met: (1) The candidates has at least a master's degree in a closely related counseling field and (2) documents/demonstrates that they have also acquired the competencies, skills, and knowledge that they would have gained if they had graduated from a NHDOE approved graduate program in school counseling (this is demonstrated through written thesis and oral board review) and (3) must have worked for three months as guidance counselor to qualify for an alternative certification. In order to accomplish #2 above, additional coursework specifically in school counseling is usually required. The whole alternative process usually takes one year.</p> <p>Experience Requirements: (Options 1) Qualify for state certification as a school counselor, candidates must have completed a 600-hour internship in a general school setting under the direct supervision of a state certified school counselor with at least 2 years experience as a state certified school counselor in NH public schools; or (Option 2) Candidates for alternative certification must have worked for three months, full time, as a school counselor before beginning the alternative certification process. This is usually accomplished from having been a certified school counselor in another state, or from taking classes, including internship classes, through a NH approved program with a view towards qualifying for alternative certification.</p> <p>Examination: None</p> <p>Institution Recommendation Required?: No</p> <p>Certification: K-12</p> <p>Reciprocity: Yes. Candidates seeking to be state certified through reciprocal agreement must still verify that they have receive training and experience comparable to that which they would have received if they had graduated from a NHDOE approved graduate program in school counseling. In the case of certification through reciprocal agreement, this is done through a review of transcripts, curriculum vitae, and experience descriptions. Candidates seeking to be state certified school counselors must still have been trained in all three grade levels in order to receive certification to work in NH public schools.</p>
New Jersey	Yes	<p>Educational Requirements: To be eligible for the standard educational services certificate with a school counselor endorsement, a candidate must hold a master's or higher degree from a regionally accredited college or university. The office may issue an emergency certificate upon the request of the county superintendent to a candidate who meets the following requirements: (1) A bachelor's degree from a regionally accredited college or university; and (2) 15 graduate semester hour credits of study from the areas below.</p> <p>Required Coursework: (1) A department-approved graduate curriculum in school counseling or (2) a minimum of 48 graduate semester hour credits in the following areas: (1) counseling (minimum of 18 hours must include study in theory and procedures of individual and group counseling, counseling and interviewing techniques and career counseling), (2) testing and evaluation (minimum of three hours), (3) psychology (minimum of six hours in study related to child and adolescent psychology, psychology of exceptional children and psychology of learning), (4) sociological foundations (minimum of six semester hours that must include study in the community agencies, organizations and resources and multicultural counseling) or a candidate who has completed a master's or higher degree from a regionally accredited college or university whose school counseling program meets the standards of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) will be issued a standard school counselor certificate.</p> <p>Experience Requirements: None</p> <p>Institution Recommendation Required?: Yes, Unless candidate holds national certification</p> <p>Certification: pre-K-12</p> <p>Examination: None</p> <p>Reciprocity: Yes, Out-of-state applicants qualifying under any form of reciprocity in accordance with the Interstate Certification Compact will have met the content area and professional education requirements but must pass the required test for issuance of an instructional license in a specific field. Transcripts, copies of state licenses and original documentation of teaching experience will be reviewed to determine eligibility for reciprocity.</p>
New Mexico	Yes	<p>Educational Requirements: (Option 1) A national certified school counselor credential issued by the national board for certified counselors; or (Option 2) A licensed professional mental health counselor (LPC) or licensed professional clinical mental health counselor (LPCC) credential issued by the New Mexico counseling and therapy practice board and a minimum of six semester hours of graduate credit in school counseling coursework; (Option 3) A master's degree from a regionally accredited college or university; the master's degree requirement shall be satisfied by meeting the requirements:</p> <p>(1) master's degree in school counseling from a regionally accredited college or university or</p> <p>(2) master's degree in a discipline other than school counseling and 36-42 graduate hours in school counseling, (which may be completed as a part of the master's degree program or in addition to the master's).</p> <p>Experience Requirements: Option 1 and 2: None; Option 3: 300 hour practicum or internship in a school setting.</p> <p>Institution Recommendation Required?: No</p> <p>Certification: K-12</p> <p>Examination: New Mexico Content Knowledge Assessment for School Counselor</p> <p>Reciprocity: No; however, if you obtain a master's degree in a school outside of NM that meets the BOE standards, a license can be granted</p>
